

## Reni Pani Jungle Lodge – A Night or Two Under Canvas

Satpura's hilly and undulating terrain, cascading waterways, sprawling teak forests and abundance of wildlife make it ideal walking country. This wilderness in fact is the only one of its kind in Central India where enthusiasts can traverse pristine tiger country on foot. Camping and walking go hand in glove and as soon as some new areas of the park were opened for walking, we at Reni Pani launched our brand new offering a 'Night Out Under Canvas'. The campsites for this one-of-a-kind and exclusive experience are located a short drive away from Reni Pani Jungle Lodge on the boundary of the core area. Two campsites will be used during the season, the one shown above is in open wooded patch and is used when the Denwa River (Northern Park Boundary) is in full spate. Once the Denwa recedes then the camp moves to its dry river bed located in a splendid valley nestled as the river meanders through the magnificent Satpura hills. Starting mid-November, we use the dry river bed to set up our exclusive mobile camp and it is this sight that we recommend most. Using this camp as base, guests can explore the core area of the park on foot opting for either half or full day hikes.

### **Suggested program:**

Depart from Reni Pani Jungle Lodge after brunch and arrive at an exclusive campsite set up for us. After settling in, guests will be escorted by Reni Pani's expert naturalist for an evening walking safari in the core area of the Satpura National Park. Although the walk will focus on the smaller aspects of the forest like tracks and signs, flora, butterflies, wild flowers and insects, guests can also expect to see a wide array of Central Indian birds including Black Naped Orioles, Malabar Pied Hornbills, Crested Hawk Eagles, Grey Headed Fish Eagles and many more. Guests will also get a chance to see common mammals like the Sambar Deer, Nilgai, Gaur, Four-horned Antelope, Muntaj, Indian Giant Squirrel and if lucky even the Sloth Bear, Leopard and Wild Dog. Guests will spend the night at the campsite. The next morning after an early breakfast, guests can either do a half day or full day walking safari. After the hikes, guests will be transferred back to Reni Pani Jungle Lodge. Alternately, guests can also opt to do a night drive in the buffer area on one of the evenings. There are several options and a specific program can be designed for each guest based on your requirement. Even two-night options are available.

### Notes:
